

Catalan society is bilingual but its Government only uses catalan in education

Spanish as usual language: 55,1%

Catalan as a usual language: 31,0%

The Government **does not** comply with judicial resolutions that require a minimum in both language

Many people are afraid to publicly express that they want bilingual education

m'apunto a anar a apedregar la casa d'aquest nen!. Que se'n vagin fora de Catalunya. No volem supremacistes castellans que ens odien.

"I am in for stoning this kid's house! Let them leave Catalonia. We don't want Castilian supremacists who hate us."

Ho sento pel nen, però li haurien de fer bulling fins que foti el camp

"I feel sorry for the kid, but we should bully him until he gets the hell out of here."
